MCCSN completed another Walk-A-Thon (WAT) on October 18. As you know, we had to postpone our normal September date due to severe weather, but were still able to complete a successful event. MCCSN celebrated 31 years, and what a remarkable night to celebrate!

We were blessed with a beautiful night, a little chilly, but a gorgeous evening nonetheless. How touching to see the sea of turquoise as the survivors made that first lap. Those who lost their battle with cancer over the year were commemorated during the candlelight ceremony. As the luminaries burned in their memory, it was a solemn ceremony when approximately 64 names were read and the bell rung to honor them.

The MCCSN Board of Directors would like to **THANK** every individual, business, and sponsor for supporting us in another WAT. Thank you to the many volunteers, who worked booths, donated auction items, helped with the silent auction, wrote, filled and lit luminaries, and helped with set up and clean up. Because of your efforts, MCCSN can continue to provide assistance to cancer patients and their families.

We now begin looking forward to next year. In 2025, MCCSN will celebrate 32 years and we want our 32nd WAT to be

a huge success and better than ever before. **THANKS** again for all you do to support MCCSN. . .we could not complete our mission without you.

Terry L. Tucker
MCCSN President
